Smti. Dalimi Rabha hailing from a remote village in Kamrup District was interested in tailoring and fashion designing since her childhood. Growing up in a poor family, Dalimi struggled hard to make her dream success in the said line of activity. With limited opportunities available in the remote Boko region, she started her tiny business unit in a single room in her home. Soon Dalimi discovered a need for skilled manpower for her business. This set her thinking of providing skill training in tailoring and designing work. This idea appealed to Dalimi, as this would be an ideal opportunity to provide employment options to many young people in Boko region.

She approached State Bank of India, Boko branch for financial assistance to over come the shortage of fund. Accordingly, the Bank has sanctioned her a Cash Credit limit of Rs. 2.00 lacs on 30.03.2016.

Today, Dalimi is a successful regional icon. By her pioneering efforts, she had created employment opportunities to many young people. She had directly employed 10 other women in her tailoring and fashion business. Her success has further improved the lives of many other young people who were trained by her. Her success in recognized by Govt of India and awarded Rs.3.00 lacs and the cheque was handed over to her by the Hon'ble Finance Minister, GoA in a function at New Delhi on 4<sup>th</sup> April 2016.
