

## Target Group

**All Salaried Employees**

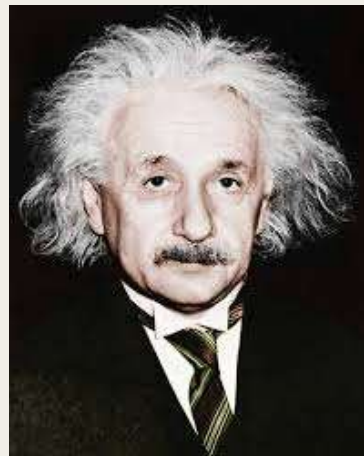

## Objective

1. How to use the exponential in multiplying your wealth?
2. Exploit the power of compounding for long-term wealth creation
3. Exponential growth is like a supernatural force.
4. No matter how old or young you are... the power of compounding can be your greatest route to wealth.

Albert Einstein famously said that “Compound interest is the eighth wonder of the world. He who understands it, earns it ... he who doesn’t ... pays it.”
