### Winners for Programme Duration

We are pleased to inform you that you have won the [Mega Prize \(2N/3N Singapore Holiday package for 2\)](#) by using SBI Debit Card during Top Spenders Rewards Campaign (27-Sept to 26-Oct-2017).

To avail the offer, you will soon get a call from Yatra for further assistance from a designated SPOC (Single Point of Contact) assigned for you.

## Winners for Weekly Category

We hope you have enjoyed your experience until now and are pleased to inform you that you have **won MI Max 2 smartphone** by using SBI Debit Card during Top Spenders Rewards Campaign (27-Sept to 26-Oct-2017).

To avail the prize, please follow the following steps:

1. Create your MI ID at mi.com.

Creating a new Mi account is quite simple. Follow the below steps to do it.

1. Go to <https://account.xiaomi.com/pass/register>
2. There you have two options to create an account. Either by e-mail id or by using your mobile phone number.

The image displays two side-by-side screenshots of the MI account registration page on a mobile device. Both screenshots show the URL <https://account.xiaomi.com/pass/register> in the browser's address bar. The left screenshot is titled 'Create Mi Account' and shows the 'Email registration' path. The 'Country/Region' is set to 'India'. The 'Email' field is labeled 'Enter email address'. A red bracket and arrow on the right side of the form point to the 'Email' field, with the text 'Email registration' written vertically. Below the form is an orange 'Create Mi Account' button. At the bottom, a link 'Create using a phone number' is highlighted with a red box, and an arrow points to the text 'Click here for registration via phone number'. The right screenshot is also titled 'Create Mi Account' and shows the 'Phone registration' path. The 'Country/Region' is set to 'India'. The 'Mobile number' field is labeled 'India(+91)'. A red bracket and arrow on the right side of the form point to the 'Mobile number' field, with the text 'Phone registration' written vertically. Below the form is an orange 'Create Mi Account' button. At the bottom, the same 'Create using a phone number' link is visible, but it is not highlighted.

**Using Mobile:**

Give the mobile number and other details required (password, captcha code) and confirm.

You will receive a OTP on the given mobile number.

Provide the OTP and confirm your identity.

Your account is created successfully!

**Using E-mail:**

Give the email ID and confirm.

Then you will receive a verification link on your email.

Click on the link in the email to activate your account.

Your account is created successfully!

**Mi ID**

This is a unique number that is generated automatically at the time of registration. It cannot be changed.

**How to find out your Mi ID?**

1. By logging in to your Mi account through any browser.

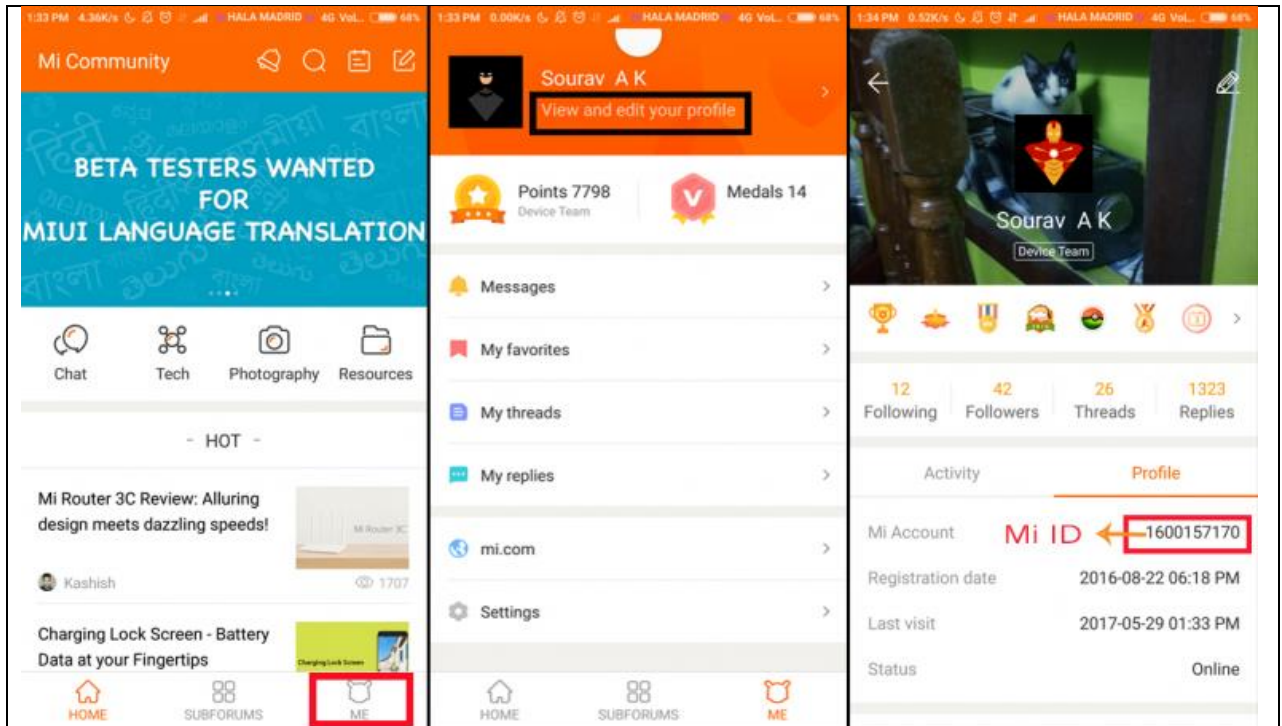

2. From your Mi community profile

Open Mi community app

Select 'Me' option from the bottom corner

Select 'View and edit your profile'

In the Profile tab, your Mi ID will be displayed

Upon successful completion of creation of MI account, **please share your MI ID and Account number with SBI at [debitcards@sbi.co.in](mailto:debitcards@sbi.co.in)**

SBI shall share the same with MI and you will receive a Coupon Code in your MI Account.

Follow the below mentioned process for claiming your mobile!

- Login into your Mi Account on APP (Or) Web
- The moment a coupon is added to your account you will get a push notification generally. The same message can be found under the message tab of Account section in Mi Store.
