HP Enterprise India Private Limited	Rs.11,37,500/-	31.03.17	a)The hardware procured through RFP with 3 year warranty is for the purpose of handling critical functions of Payment Gateway, ACS, MPI and database Servers, did not factor hiring of a resident Technician for offering services pertaining to server availability for running a critical application. B) An added advantage of hiring a member of the HP team is that in the event of an inability to resolve problems, this resource will have the benefit of a seamless access to their core resource team for additional support

													without any additional costs. c) This is also very crucial considering these hardware will be solely responsible for e-Commerce acceptance of SBG debit cards.
